**TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:**

- Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
- Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a Quayle action. Continuation of 4(e) Other: According to MPEP 1.121, "The text of any deleted matter must be shown by strike-through except that double brackets placed before and after the deleted characters may be used to show deletion of five or fewer consecutive characters. The text of any deleted subject matter must be shown by being placed within double brackets if strike-through cannot be easily perceived." In this case, the amendments made where fewer than five characters were deleted using a strike-through is not easily perceived. For example, in claim 9, line 2, it is not clear whether a strike-through appears through "a" or not. For the entire amendment Applicant is kindly requested to use double brackets for deletions of five or fewer consecutive characters.
